### Personal Summary

---

Motivated and detail-oriented Information Technology student at the University of Professional Studies, Accra (UPSA), with a solid foundation in computer systems, programming, cybersecurity, and web development. I possess strong problem-solving abilities, adaptability, and a growing passion for digital innovation. Proficient in Python, HTML5, CSS3, and network fundamentals, I aim to contribute meaningfully to Ghana's tech-driven future. I am actively seeking entry-level opportunities to gain hands-on experience, grow professionally, and contribute to impactful tech solutions that advance both institutional goals and national development.
